Senior Cabinet

Seated: B. Fischer, Treasurer; J. Messick, Vice-president; J. Rose, President; M. Rainier, Secretary. Standing: M. Kindt, A. Frank, P. Niemeyer, P. McMillan, P. Hirou, S. King, F. Stave, J. Toepp, P. Plotkin, L. Cox, M. Buck, N. Wilson.

The Senior Cabinet of the class of '58, besides striving to keep its scholastic average high, guided the activities of our class throughout this most important year. These activities ranged from selling pins to boost Adams, planning the Senior Prom, helping plan the Mid-Year Prom, to the continuance of the wonderful project started by last year's Cabinet.

This project was Adams Hours and consisted of seniors who volunteered to give of their time and service to organizations of worth in the immediate area. Each senior hour of work equals one Adams hour. The purpose of this project was to give to Adams seniors the glorious feeling generated through helping others. The work of Adams Hours was a huge success with the first one hundred and twenty five hours spent at the Children's Aid Society and the St. Joseph County Cancer Society.

Again this year the Senior Cabinet recommends this very worthwhile project and wishes next year's Cabinet success in this and all the goals they set out to accomplish.

IN MEMORIAM

JANET MARIE LIGHT

December 1, 1940—December 5, 1957

Janet, a member of the class of 1958, is missed by her many acquaintances and friends here at John Adams.

Janet, the daughter of Mr. and Mrs. Herman Light, attended John F. Nuner Elementary School before enrolling at John Adams.

Janet will not join us in person in the procession at Commencement, but she will be with us in memory as we march down the aisle.

EAGLE ETHICS

ARE THESE YOURS?

AMBITION ——Make your mark, but mind what your mark is.

COURAGE ——In a place where there are no men, strive thou to be a man.

FAITH ——Believe in your creed, but believe.

HONESTY ——Truth is the highest thing that man may keep.

INDUSTRY ——Shun idleness—a rust that attaches itself to the most brilliant metals.

MODESTY ——When "a little man" discharges an obligation, the report can be heard for miles around.

PATIENCE ——When you do not know what to do—wait.

PERSEVERANCE ——In order to see the rainbow, one must weather the storm.

RESPECT ——Give to every other human being every right and dignity that you claim for yourself.

SELF CONTROL ——Greater is he who conquers himself than he who conquers a thousand.

SINCERITY ——BE—rather than seem to be.

"I expect to pass through this world but once; any good therefore that I can do or any kindness that I can show to any fellow creature, let me do it now, let me not defer or neglect it for I shall not pass this way again."—Stephen Grellet.

The Album staff leads an energetic life until every page of the Album is completed. Before any work can be done, pictures must be taken for the Faculty, Undergraduate, Senior, Club, and Sport sections. After the pictures return from the photographers, they must be accurately identified — these identifications then must be proofread. The pictures and identifications are sent to be pre-screened. As they return, they are pasted on the final dummy. This is just a small part of the work that is necessary to put out the Album, so one can easily see why the Album staff leads a active life.

Members of the Drama Club do not necessarily have to be actors. Drama Clubbers make costumes, paint sets, build props, or work on lighting. All these things are essential for any successful production.

This fall, the Drama Club, working with the Thespians, presented an all school play, "You Can't Take It with You."

Each year a highlight of the year is a trip to Chicago to see some worth-while dramatic production. On December 14 the group saw "My Fair Lady".

Believe In Your Creed

Last fall, a group of Adams' students were inspired to set up, after three years of working, a set of principles to guide their fellow students. This code, known as "The Eagle Ethics" is thought provoking rather than promisory or commanding.

The students who have worked on this code realize that it may never cause a noticeable change in Adams. But they feel that if the principles in the code help just one student in his life, the hours spent on the code will not have been wasted.

"You Can't Take It With You" takes place in the home of Martin Vanderhoff. His family is rather different from other families—Penny writes plays, Paul and Mr. DePinna manufacture fireworks, Essie dances, Ed's hobby is printing, and Mr. Vanderhoff, or Grandpa as he is called, collects snakes and attends commencements. Alice is the only member of the family with her feet on the ground. She has fallen in love with her boss's son, Tony, who comes from a very wealthy family. The play revolves around their love and the difficulties that they encounter as a result of coming from two completely diferent backgrounds.

Good News, you're bound to do me good. . .

"Longing for the days of yore . . ."

Mr. Casady's famous call to attention.

Adam leads in Good News: Arthur Hobbs, Tom Miller, Brenda Barritt, Mike Seedorf, Larry Thompson.

"Good News" concerns the trials and tribulations of a college football her The thrill that comes once in a lifetime is to score the winning point for the old alm mater when all seems lost and the enemy are rejoicing. This is what happened to To Marlow, played by Tom Miller, but the honor nearly escaped him when he flunke his Astronomy exam. It seems that college professors are very insistent that the studer shall qualify in their studies. They seem to have the absurb idea that is the reason f going to college.

Mike Seedorf played Bobby, Tom's Roommate who plays an important positio that of sitting down. Brenda Barritt played a freshman co-ed and Larry Thompso played Beef, the big brawny football player.

"Good News" was performed four times in South Bend and also was presented the National Conference of High School Principals in Indianapolis.

The football team, under the coaching of John Murphy, compiled a very enviable 7-1-1 record good for second place in the conference. After posting victories over Gary Lew Wallace 43-6 and LaPorte 35-13, the Eagles battled Washington to a 6-6 tie. Victories over Mishawaka 31-6, Riley 52-19, Indianapolis Cathedral 26-0, and Michigan City were blemished only by a defeat at the hands of Elkhart 34-14.

Highlight of the season was the 14-7 defeat of Central, the E. N. I. H. S. C. Champions. Adams, the overwhelming underdog, played on even terms with Central in the first half and went ahead in the 3rd quarter never again to be denied their margin of victory.

Presenting . . .

Coach Earnie Kaeppler's netmen smashed their way to the first N.I.H.S.C. championship in the school's history in tennis with a perfect 9-0 record. Defeating Goshen 3 to 2—Mishawaka, Central, Riley, and Elkhart 4 to 1 — Michigan City, Fort Wayne North Side, and LaPorte 5 to 0, the Eagles went on to defeat Hammond Clark 4 to 1 in the conference playoff. The team will lose the services of first man Bob Chreist and second man Bob Fischer, the senior co-captains, but with men like Burke Jackson, who did not lose a singles match, Gary Wallman, Terry Gibson, and Jim Fischer, the team should be quite strong next season.

. . . and four to go!

The flu bug and the inexperience of a young team plagued Coach Powell's Cross Country team this season. Placing 14th in the conference and third in the city, the harriers posted a 1-14 record. Losing Mike Badger, captain and first man, Bob Wilson, third man, and Tom Kaiser, fourth man, next year's team will be built around a nucleas of second man Marvin Sogdell, fifth man Ward Harlan, and sixth man Ray Wilson.

Basketball

This year's Basketball team, although the record did not show it (14-11), had one of the most successful seasons in many years. Finishing the regular season with a 10-10 record, the Eagles had their ups and downs all year highlighted by the defeat of highly touted East Chicago Roosevelt and by the near misses with Central and Michigan City.

Rated only a dark horse in the Sectional, the "fearless five" came through with flying colors by defeating New Carlisle, Washington, and St. Joseph (rated 13th in the state) to win their second Sectional crown in fourteen years.

The following Saturday in the afternoon game the netmen handed Etna Green their first loss in 26 starts, only to lose a heartbreaker to Elkhart in the last 13 (???) seconds of the championship game.

The team will lose a great deal by Roland "Deacon" Davis' graduating, but the return of the other eight varsity members should make this team hard to stop next year.

The John Adams swimming team, the strongest team ever remembered in Adams history, completed its record breaking year by becoming the champions of the city of South Bend. In doing this, the Seagles defeated the defending state champions, the Riley Wildcats, who had been undefeated in twenty-four consecutive meets. Also, the swimmers, who were coached by Joe Laiber, placed third in the Indiana State Meet and second in the Northern Indiana Conference meet. In their dual contests the powerful Seagles finished with an 11-1 record, losing only to Riley.

Cheerleaders

BEV TWIGG-CAPTAIN

L.-R. CAROL ENSIGN, JANET MOORE

L.-R. JUDY KELLEY, SUE SCHWANZ

Who ' you gonna yell for? A.H.S.! These energetic cheerleaders have worked very hard this year to enliven school spirit in many ways. They are responsible for the pep assemblies and the special skits, and they have assisted the Booster Club in arranging busses to out of town games. Miss Bauer has been faculty advisor for the year.

The B team cheer leaders have also been responsible for the many posters and signs apearing in the halls and dressing rooms, and they have assisted the Varsity cheerleaders in other ways.

The cheerleaders have done a grand job in cheering John Adams on to victory.

N. Lydeen, D. Nichols, S. Schock, S. Weaver, S. Nelson.
